Home and Community Based Services (HCBS)

Brain Injury (BI), Community Mental Health Supports (CMHS), and Elderly, Blind, and Disabled (EBD)

General Information

Medicaid is a health care program for low income Coloradans. Applicants must meet eligibility criteria for one of the Medicaid Program categories in order to qualify for benefits. Major program categories include:

- Aid to Families with Dependent Children/Medicaid Only
- Aid to the Needy Disabled
- Baby Care/Kids Care
- Colorado Works/TANF (Temporary Assistance for Needy Families)
- Aid to the Blind
- Old Age Pension

Waiver programs provide additional Medicaid benefits to specific populations who meet special eligibility criteria.

Level of care determinations are made annually by the case management agencies (aka Single Entry Points). Members must meet financial, medical, and program criteria to access services under a waiver. The applicant must be at risk of placement in a nursing facility, hospital, or ICF/IID (Intermediate Care Facility for Individuals with an Intellectual Disability). To utilize waiver benefits, members must be willing to receive services in their homes or communities. A member who receives services through a waiver is also eligible for all basic Medicaid covered services except nursing facility and long-term hospital care. When a member chooses to receive services under a waiver, the services must be provided by certified Medicaid providers or by a Medicaid contracting managed care organization (MCO).

Each waiver has an enrollment limit. Applicants may apply for more than one waiver, but may only receive services through one waiver at a time.

Prior Authorization Requests (PARs)

Unless otherwise noted, all HCBS services require prior approval before they can be reimbursed by the Colorado Medical Assistance Program. Case management agencies/single entry points complete the Prior Approval and/or Cost Containment requests for their specific programs according to instructions published in the regulations for the Department of Health Care Policy and Financing (the Department). All HCBS-Developmental Disability (DD), services must be prior authorized by the Division for Intellectual and Developmental Disabilities (DIDD).

The telephone numbers are listed in Appendix A of the Appendices in the Provider Services Billing Manuals section.

DDD transmits electronic PAR information to the Medicaid Management Information System (MMIS) for the Comprehensive Services waiver, the Supported Living Services waiver, the Children's Extensive Support waiver, and Targeted Case Management authorizations.

For the Home and Community Based Services Brain Injury (HCBS-BI) waiver, the following services must be submitted by the case management agency (CMA)/single entry point (SEP) and approved by the Brain Injury Waiver Coordinator with the Department of Health Care Policy and Financing:

- Mental Health Counseling (more than 30 cumulative visits)
- Respite Care (Nursing Facility)
- Substance Abuse Counseling (more than 30 cumulative visits)
- Assistive Technology above and beyond medication reminders
- All services above cost containment

Providers may contact the CMA/SEP for the status of the PAR or inquire electronically through the Colorado Medical Assistance Program Web Portal.

The CMAs/SEPs responsibilities include, but not limited to:

- Informing members and/or legal guardian of the eligibility process.
- Submitting a copy of the approved Enrollment Form to the County department of human/social services for a Colorado Medical Assistance Program member identification number.
- Developing the appropriate Prior Approval and/or Cost Containment Record Form of services and projected costs for approval.
- Submitting a copy of the Prior Authorization and/or Cost Containment document to the authorizing agent. A list of authorizing agents can be found by referring to Appendix D of the Appendices in the Provider Services Billing Manuals section.
- Assessing the member's health and social needs.
- Arranging for face-to-face contact with the member within 30 calendar days of receipt of the referral.
- Monitoring and evaluating services.
- Reassessing each member.
- Demonstrating continued cost effectiveness whenever services increase or decrease.

Approval of prior authorization does not guarantee Colorado Medical Assistance Program payment and does not serve as a timely filing waiver. Prior authorization only assures that the approved service is a medical necessity and is considered a benefit of the Colorado Medical Assistance Program. All claims, including those for prior authorized services, must meet eligibility and claim submission requirements (e.g., timely filing, provider information completed appropriately, required attachments included, etc.) before payment can be made.

Prior approvals must be completed thoroughly and accurately. If an error is noted on an approved request, it should be brought to the attention of the member's case manager for corrections. Procedure codes, quantities, etc., may be changed or entered by the member's case manager.

The authorizing agent or case management agency/single entry point is responsible for timely submission and distribution of copies of approvals to agencies and providers contracted to provide services.

PAR Submission

The HCBS-BI, CMHS, and EBD forms are fillable electronically and are located on the Forms web page→ Prior Authorization Request (PAR) Forms→ HCBS PAR Forms-BI, CMHS, EBD, SCI, CHCBS, CLLI, and CWA of the Department's website. Mail all New, Continued Stay Review (CSR), and Revised PARs to the Department's fiscal agent, Xerox State Healthcare at:

Xerox State Healthcare
PARs
P.O. Box 30
Denver, CO 80201-0030

Note: If submitted to the Department's fiscal agent, the following correspondence will not be returned to case managers, outreach will not be performed to fulfill the requests, and all such requests will be recycled: 1) Paper PAR forms that do not clearly identify the case management agency in the event the form(s) need to be returned and/or 2) PAR revision requests not submitted on Department approved PAR forms, including typed letters with revision instructions. Should questions arise about what fiscal agent staff can process, please contact the appropriate Department Waiver manager.

Consumer Directed Attendant Support Services (CDASS)

For members authorized to receive CDASS, case managers will need to enter the data into one of the web based systems in addition to sending a PAR to the Department's fiscal agent. Members have the option to receive Financial Management Services (FMS) from one (1) of three (3) FMS vendors:

- ACES$
- Morning Star
- Public Partnerships, LLC (PPL)

Financial Management Services (FMS) Agencies

Financial Management Service agencies offer CDASS members the choice of two (2) FMS models: Fiscal/Employer Agent (F/EA) and Agency with Choice (AwC). The F/EA and AwC models reflect different Per Member, Per Month (PM/PM) payments to the FMS agency, which are noted by varying modifiers next to the T2040 administrative procedure code/service line. The F/EA model section requires no additional modifier. The AwC model does not require a CG modifier on the T2040 service line. This modifier should populate once the AwC model is selected on the PAR in the FMS web based system.

Claim Submission

Paper Claims

Electronic claims format shall be required unless hard copy claims submittals are specifically authorized by the Department. Requests may be sent to the Department's fiscal agent, Xerox State Healthcare, P.O. Box 30, Denver, CO 80201-0090. The following claims can be submitted on paper and processed for payment:

- Claims from providers who consistently submit 5 claims or fewer per month (requires approval)
- Claims that, by policy, require attachments
- Reconsideration claims

For more detailed Colorado 1500 billing instructions, please refer to the CMS 1500 General Billing Information manual in the Provider Services Billing Manuals section.

Electronic Claims

Instructions for completing and submitting electronic claims are available through the 837 Professional (837P) Web Portal User guide via the Web Portal and also on the Department's Colorado Medical Assistance Program Web Portal page.

Electronically mandated claims submitted on paper are processed, denied, and marked with the message "Electronic Filing Required."

The Special Program Indicator (SPI) must be completed on claims submitted electronically. Claims submitted electronically and on paper are identified by using the specific national modifiers along with the procedure code. The appropriate procedure codes and modifiers for each HCBS waiver are noted throughout this manual. When the services are approved, the claim may be submitted to the Department's fiscal agent. For more detailed billing instructions, please refer to the CMS 1500 General Billing Information in the Provider Services Billing Manuals section.

Procedure/HCPCS Codes Overview

The Department develops procedure codes that are approved by the Centers for Medicare & Medicaid Services (CMS). The codes are used to submit claims for services provided to Colorado Medical Assistance Program members. The procedure codes represent services that may be provided by enrolled certified Colorado Medical Assistance Program providers.

The Healthcare Common Procedural Coding System (HCPCS) is divided into two principal subsystems, referred to as level I and level II of the HCPCS. Level I of the HCPCS is comprised of CPT (Current Procedural Terminology), a numeric coding system maintained by the American Medical Association (AMA). The CPT is a uniform coding system consisting of descriptive terms and identifying codes that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. Level II of the HCPCS is a standardized coding system that is used primarily to identify products, supplies, and services not included in the CPT codes. These include ambulance services and durable medical equipment, prosthetics, orthotics, and supplies (DME/Supplies) when used outside a physician's office. Level II codes are also referred to as alpha-numeric codes because they consist of a single alphabetical letter followed by 4 numeric digits. CPT codes are identified using 5 numeric digits.

Persons with a Brain Injury (HCBS-BI)

The Home and Community Based Services Brain Injury (HCBS-BI) waiver program provides a variety of services to qualified members with brain injury as an alternative to inpatient hospital and rehabilitation facility placement. Members meeting program eligibility requirements are certified as medically eligible for HCBS-BI by the case manager.

Community Mental Health Supports (CMHS), and Persons who are Elderly, Blind, and Disabled (EBD)

- The HCBS-CMHS and EBD waiver programs provide a variety of services to the Elderly, Blind and Disabled (EBD), and Community Mental Health Supports (HCBS-CMHS), formally known as Persons with Major Mental Illness (MI), as an alternative to nursing facility, inpatient hospital, and rehabilitation facility placement to qualified members. Members meeting program eligibility requirements are certified by the case management agency/single entry point as medically eligible for these HCBS waiver programs. These three waivers offer all of the following services:
- Alternative Care Facility - Alternative Care Services means, but is not limited to, a package of personal care and homemaker services provided in a state-certified alternative care facility including: assistance with bathing, skin, hair, nail and mouth care, shaving, dressing, feeding, ambulation, transfers, and positioning, bladder & bowel care, medication reminding, accompanying, routine housecleaning, meal preparation, bed making, laundry and shopping.
- Reimbursement shall be per unit, with one unit equaling one day of care.
- Adult Day Services– Services furnished between three (3) – five (5) or more hours per day on a regularly scheduled basis, for one or more days per week. Services provided in an outpatient setting, encompassing both health and social services needed to assure the optimal functioning of the individual. Meals provided as part of these services shall not constitute a "full nutritional regimen" (3 meals per day). Physical, occupational and speech therapies indicated in the individual's plan of care would be furnished as component parts of this service if such services are not being provided in the participant's home.
- Electronic Monitoring/Personal Emergency Response Systems – An electronic device, which enables certain individuals at high risk of institutionalization to secure help in an emergency. The individual may also wear a portable "help" button to allow for mobility. The system is connected to the person's phone and programmed to signal a response center once a "help" button is activated. Monitoring of the device is included in the PERS service. The response center is staffed by trained professionals.
- Homemaker – Services consisting of general household activities (meal preparation and routine household care) provided by a trained homemaker. Provided when the individual regularly responsible for these activities is temporarily absent or unable to manage the home and care for him or herself or others in the home.
- Home Modification are specific modifications, adaptations or improvements in an eligible member's existing home setting which, based on the member's medical condition are necessary to ensure the health, welfare and safety of the member, enable the member to function with greater independence in the home, are required because of the member's illness, impairment or disability, as documented on the ULTC-100.2 form and the care plan and prevents institutionalization of the member. There shall be a lifetime cap of $10,000.00 per member.
- Personal Care – Assistance with eating, bathing, dressing, personal hygiene, activities of daily living. These services may include assistance with preparation of meals, but does not include the cost of the meals themselves. When specified in the service plan, this service may also include such housekeeping chores as bed making, dusting and vacuuming. Services are incidental to the care furnished, or are essential to the health and welfare of the individual,

rather than the individual's family. Payment will not be made for services furnished to a minor by the child's parent (or step parent), or to an individual by the person's spouse.

- Relative Personal Care – Personal Care providers may be members of the individual's family. The number of Medicaid personal care units for provided by any single member of the member's family shall not exceed the equivalent of 444 personal care units per annual certification. Payment will not be made for services furnished to an individual by an individual's spouse employed by a Personal Care agency.
- Respite care means services provided to an eligible member on a short-term basis because of the absence or need for relief of those persons normally providing the care. The unit of reimbursement shall be a unit of one day for care provided in a Nursing Facility or Alternative Care Facility. Individual respite providers shall bill according to an hourly rate or daily institutional rate, whichever is less.
- Non-Medical Transportation – Service offered in order to enable individuals served on the waiver to gain access to waiver and other community services, activities and resources, specified by the service plan. This service is offered in addition to medical transportation required under 42 CFR 431.53 and transportation services under the State Plan, defined at 42 CFR 440.170 (a) (if applicable), and shall not replace them.
- Non-Medical Transportation will be limited to two (2) round-trips per week. Trips to and from adult day programs are not subject to this cap.

The HCBS-EBD program offers the following additional services:

Note: HCBS-CMHS offers CDASS and Medication Reminders as well.

Consumer Directed Attendant Support Services (CDASS) – CDASS is a service delivery option that offers HCBS-EBD and HCBS-CMHS members the opportunity to direct personal care, homemaker and health maintenance tasks. Members may also designate an authorized representative to direct these activities on their behalf.

In-Home Support Services (IHSS) – IHSS includes health maintenance activities, support for activities of daily living or instrumental activities of daily living, personal care service and homemaker services. Additionally, IHSS providers are required to provide the core independent living skills. This service is only available for EBD and CHCBS members.

Community Transition Services (CTS) – CTS assists Medical Assistance Program members in transitioning from nursing facilities to community-based residences. CTS are administered by provider specialty Transition Coordination Agency (TCA). TCAs have to provide at least two Independent Living Core Services and have to be certified by the Department to provide CTS.

Medication Reminders – Medication reminders are devices, controls, or appliances which enable an individual at high risk of institutionalization to increase their abilities to perform activities of daily living, such as medication administration. Medication reminders shall include devices or items that remind or signal the member to take prescribed medications. Medication reminders may include other devices necessary for the proper functioning of such items, and may also include durable and non-durable medical equipment not available as a State plan benefit.

Late Bill Override Date

For electronic claims, a delay reason code must be selected and a date must be noted in the "Claim Notes/LBOD" field.

Valid Delay Reason Codes

1 Proof of Eligibility Unknown or Unavailable

3 Authorization Delays

7 Third Party Processing Delay

8 Delay in Eligibility Determination

9 Original Claim Rejected or Denied Due to a Reason Unrelated to the Billing Limitation Rules

11 Other

The Late Bill Override Date (LBOD) allows providers to document compliance with timely filing requirements when the initial timely filing period has expired. Colorado Medical Assistance Program providers have 120 days from the date of service to submit their claim. For information on the 60-day resubmission rule for denied/rejected claims, please see the General Provider Information manual in the Provider Services Billing Manuals section.

Making false statements about timely filing compliance is a misrepresentation and falsification that, upon conviction, makes the individual who prepares the claim and the enrolled provider subject to fine and imprisonment under state and/or federal law.

Billing Instruction Detail	Instructions
LBOD Completion Requirements	• Electronic claim formats provide specific fields for documenting the LBOD. • Supporting documentation must be kept on file for 6 years. • For paper claims, follow the instructions appropriate for the claim form you are using. ➢ *UB-04*: Occurrence code 53 and the date are required in FL 31-34. ➢ *CMS 1500*: Indicate "LBOD" and the date in box 19 – Additional Claim Information. ➢ *2006 ADA Dental*: Indicate "LBOD" and the date in box 35 - Remarks
Adjusting Paid Claims	If the initial timely filing period has expired and a previously submitted claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was paid and now needs to be adjusted, resulting in additional payment to the provider. **Adjust the claim within 60 days** of the claim payment. Retain all documents that prove compliance with timely filing requirements. *Note: There is no time limit for providers to adjust paid claims that would result in repayment to the Colorado Medical Assistance Program.* **LBOD** = the run date of the Colorado Medical Assistance Program Provider Claim Report showing the payment.

Billing Instruction Detail	Instructions
Denied Paper Claims	If the initial timely filing period has expired and a previously submitted paper claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was denied. **Correct the claim errors and refile within 60 days** of the claim denial or rejection. Retain all documents that prove compliance with timely filing requirements. **LBOD** = the run date of the Colorado Medical Assistance Program Provider Claim Report showing the denial.
Returned Paper Claims	A previously submitted paper claim that was filed within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was returned for additional information. **Correct the claim errors and re-file within 60 days** of the date stamped on the returned claim. Retain a copy of the returned claim that shows the receipt or return date stamped by the fiscal agent. **LBOD** = the stamped fiscal agent date on the returned claim.
Rejected Electronic Claims	An electronic claim that was previously entered within the original Colorado Medical Assistance Program timely filing period or the allowed 60 day follow-up period was rejected and information needed to submit the claim was not available to refile at the time of the rejection. **Correct claim errors and refile within 60 days** of the rejection. Maintain a printed copy of the rejection notice that identifies the claim and date of rejection. **LBOD** = the date shown on the claim rejection report.
Denied/Rejected Due to Member Eligibility	An electronic eligibility verification response processed during the original Colorado Medical Assistance Program timely filing period states that the individual was not eligible but you were subsequently able to verify eligibility. Read also instructions for retroactive eligibility. **File the claim within 60 days** of the date of the rejected eligibility verification response. Retain a printed copy of the rejection notice that identifies the member and date of eligibility rejection. **LBOD** = the date shown on the eligibility rejection report.
Retroactive Member Eligibility	The claim is for services provided to an individual whose Colorado Medical Assistance Program eligibility was backdated or made retroactive. File the claim within 120 days of the date that the individual's eligibility information appeared on state eligibility files. Obtain and maintain a letter or form from the county departments of social services that: • Identifies the patient by name • States that eligibility was backdated or retroactive • Identifies the date that eligibility was added to the state eligibility system. **LBOD** = the date shown on the county letter that eligibility was added to or first appeared on the state eligibility system.

Billing Instruction Detail	Instructions
Delayed Notification of Eligibility	The provider was unable to determine that the patient had Colorado Medical Assistance Program coverage until after the timely filing period expired. **File the claim within 60 days** of the date of notification that the individual had Colorado Medical Assistance Program coverage. Retain correspondence, phone logs, or a signed Delayed Eligibility Certification form (see Certification & Request for Timely Filing Extension in the Provider Services Forms section) that identifies the member, indicates the effort made to identify eligibility, and shows the date of eligibility notification. • Claims must be filed within 365 days of the date of service. No exceptions are allowed. • This extension is available only if the provider had no way of knowing that the individual had Colorado Medical Assistance Program coverage. • Providers who render services in a hospital or nursing facility are expected to get benefit coverage information from the institution. • The extension does not give additional time to obtain Colorado Medical Assistance Program billing information. • If the provider has previously submitted claims for the member, it is improper to claim that eligibility notification was delayed. **LBOD** = the date the provider was advised the individual had Colorado Medical Assistance Program benefits.
Electronic Medicare Crossover Claims	An electronic claim is being submitted for Medicare crossover benefits within 120 days of the date of Medicare processing/ payment. (Note: On the paper claim form (only), the Medicare SPR/ERA date field documents crossover timely filing and completion of the LBOD is not required.) **File the claim within 120 days** of the Medicare processing/ payment date shown on the SPR/ERA. Maintain the original SPR/ERA on file. **LBOD** = the Medicare processing date shown on the SPR/ERA.
Medicare Denied Services	The claim is for Medicare denied services (Medicare non-benefit services, benefits exhausted services, or the member does not have Medicare coverage) being submitted within 60 days of the date of Medicare processing/denial. *Note: This becomes a regular Colorado Medical Assistance Program claim, not a Medicare crossover claim.* **File the claim within 60 days** of the Medicare processing date shown on the SPR/ERA. Attach a copy of the SPR/ERA if submitting a paper claim and maintain the original SPR/ERA on file. **LBOD** = the Medicare processing date shown on the SPR/ERA.
Commercial Insurance Processing	The claim has been paid or denied by commercial insurance. **File the claim within 60 days** of the insurance payment or denial. Retain the commercial insurance payment or denial notice that identifies the patient, rendered services, and shows the payment or denial date.

Billing Instruction Detail	Instructions
	Claims must be filed within 365 days of the date of service. No exceptions are allowed. If the claim is nearing the 365-day limit and the commercial insurance company has not completed processing, file the claim, receive a denial or rejection, and continue filing in compliance with the 60-day rule until insurance processing information is available. **LBOD** = the date commercial insurance paid or denied.
Correspondence LBOD Authorization	The claim is being submitted in accordance with instructions (authorization) from the Colorado Medical Assistance Program for a 60 day filing extension for a specific member, claim, services, or circumstances. **File the claim within 60 days** of the date on the authorization letter. Retain the authorization letter. **LBOD** = the date on the authorization letter.
Member Changes Providers during Obstetrical Care	The claim is for obstetrical care where the patient transferred to another provider for continuation of OB care. The prenatal visits must be billed using individual visit codes but the service dates are outside the initial timely filing period. **File the claim within 60 days** of the last OB visit. Maintain information in the medical record showing the date of the last prenatal visit and a notation that the patient transferred to another provider for continuation of OB care. **LBOD** = the last date of OB care by the billing provider.
